Dear Pastors, Fellow Minister and intercessors,

**Re: A call to pray our for beloved nation before 8/12/18.**

Warmest greetings in Jesus Christ's matchless name.

I pray that this letter will find you in the best of God's keeping and blessings.

In view of the urgent event that may take place on 8/12/18, AG Prayer Commission is asking all pastors and intercessors to stand in guard in prayer and stand in the gap to pray for our nation.

Let us set aside this Saturday and Sunday to intercede for our beloved nation.

Let me suggest a few things to pray for:

1. The battle is in the heavenly. Therefore let us wage a strong warfare and cover this nation against the works of the enemies (Eph 6: 10 – 18).
2. Pray against all forms of witchcraft and demonic influences to violence and bloodshed
3. Pray against any forms of violence, bloodshed should there be a gathering on 8/12/18.
4. Pray for our Prime Minister that God will grant him wisdom and authority to carry out his duty to bring peace to this nation.
5. Pray for God's protection over all PH ministers that God will keep them from all harm.
6. We declare racial peace, harmony and unity for all races in Malaysia.
7. We proclaim victory in the name of Jesus Christ, the King of kings and Lord of lords.

Thank you for your attention.

AGPC Chairperson.
